Merge branch 'main' of https://github.com/PriyankaG886/IBM_INTER1 into new-feature
Please enter a commit message to explain why this merge is necessary,
especially if it merges an updated upstream into a topic branch.
Lines starting with '#' will be ignored, and an empty message aborts
the commit.
It looks like you may be committing a merge.
If this is not correct, please run
  git update-ref -d MERGE_HEAD
and try again.

Please enter the commit message for your changes: Lines starting
with '#' will be ignored, and an empty message aborts the commit.
On branch new-feature
All conflicts fixed but you are still merging.
Changes to be committed:
  modified:   feature.py
